

Social innovation and new models of action

Presentation

Method conference of introduction to social innovation, in which a conceptual and operational framework for the notion of social innovation will be developed, by providing students with academic and technical knowledge, and by informing the debate through the presentation of case studies. Thus, social innovation is explored from the perspective of the tensions that characterize it, both in terms of theory and practice.

In brief

Number of hours : 9.0
Teaching term : Six-monthly
