

Speciality CPP/SPSC

Presentation

The specialty method conference offers a space for discussion and for utilizing the theoretical, conceptual and methodological knowledge in political sociology that the students have already acquired and are in the process of learning. For this purpose, the classic works in this field will be studied. The objective of the method conference is to provide different keys for interpreting the contemporary transformations that affect politics in France and Europe.

Recommended Prerequisite(s)

French institutions and political history ; comparative politics.
